Welcome Notes ?

ePortfolio Meter: 73%

Use Welcome Notes to add custom content to your ePortfolio Home page. Welcome Notes can consist of any content you like and will appear in the middle section of your Home page. You can change the order in which each note is displayed and define who can see each note. Welcome Notes commonly consist of information about you, your interests, and messages to your visitors. [Edit your professional interests](#) [What is My Bio?](#)
Note: Click and drag a row up or down to change the display order.
Note: Functionality may be limited by security settings.

Add Welcome Note

1 Title:

Show Title:

About Me/Bio: Set this Welcome Note as My Bio

Content:

2 **3** **4** **5**

1. You must give your welcome note a title - if you want the title to show on your welcome page leave "Show Title" checked. If not, remove the check mark.
2. Type information like you would a word document
3. Insert hyperlinks by
 - Typing text
 - Highlighting text with cursor
 - Click on "link" icon in menu bar and type or paste url
4. Upload files and pictures the same way you upload your TSLP lessons.
5. Insert videos by pasting the video embed code
6. Select who will have access to your e-portfolio by checking off the boxes at the bottom left hand corner
7. Save

Viewable By

Please select one or more Access Keys to determine who is allowed to see the information you have added or uploaded.

- Selecting the **'Public'** Access Key will make this information viewable **by any internet user.**
- Selecting the **'Epsilen'** Access Key will make this information viewable **by any Epsilen member,** including those who are not part of your school or institution.
- Selecting the **'Institution'** Access Key will make this information viewable **by any member of your institution.**

If you do not select an Access Key, this information will be private and cannot be viewed by anyone else.
